Gentlemen:

We are pleased to bring to your attention our Special Fall Bulletin. Through this list we offer you a fine lot of seasonable stock at prices that should enable you to handle it profitably.

The demand for Roses in all sizes and miscellaneous stock of all kinds will again far exceed the supply, and prompt consideration given to your needs will unquestionably result to your advantage.

Awaiting your favors which shall have our careful attention, we are,

Very respectfully,

THE MCGREGOR BROS. CO.

ALL SHIPMENTS F. O. B. SPRINGFIELD, O.—All goods are sold at purchaser's risk F. O. B. Springfield, Ohio. Every care will be given, however, to packing and delivery. Customers receiving shipments should keep in close touch with express offices and should investigate carefully whether or not goods have reached destination. On account of congestion in nearly all express offices, shipments might be overlooked by express employees. We find it necessary to ask customers who remit cash with orders, to add 5 per cent to cover boxing and packing. On charge orders, boxing and packing will be added to invoice at cost. At prices quoted we must ask for a selection of not less than six of any variety of plants offered.

PARCEL POST SHIPMENTS—To facilitate deliveries, we suggest Parcel Post shipments where goods ordered, weight, packing, etc., will permit of it, but believe that decision in the matter of making Parcel Post shipments should be left with us. On cash orders 5 per cent should be remitted to apply on postage, and on charge orders postage will be added to invoice.

SHIPMENTS TO FAR POINTS—Shipments of Roses and some other plants to far points can often be sent just as well with all soil removed and at a great saving in expressage to customers. In the absence of instructions relative to removing all soil, we will pack all shipments in the usual manner.

CLEMATIS PANICULATA—SPECIAL

The most satisfactory vine ever offered. This hardy climber is of strong, rapid growth, with small dense, cheerful green foliage, giving it an elegance possessed by no other hardy climber, and even did it not flower at all, it would be one of our most desirable vines. Flowers which appear during August and continue late in the fall, are of creamy-white color, and most deliciously fragrant. Will grow anywhere. Nice young plants in flats ready for potting or transplanting, \$15.00 per 1000.
